ATTENTION ALL "DANCE! SUBARU" READERS!

The title of the manga "Dance! Subaru" is actually
just "Subaru"

Originally, Aerie only had the Chinese scans, which
titled the manga as "Dance! Subaru" instead of
"Subaru."

For translation accuracy straight from the Japa-
nese scans, Aerie Scans will title this manga
"Subaru" from now on. So please look for **Reader**
"Subaru" instead of "Dance! Subaru."

Sorry for any confusion or inconvenience.

Nobody
forces you to
watch the
show!

You got a problem?
You want to
talk about
it?

Get
out if
you
don't
like
it

I don't know which you will choose but

Either of these choices is fine

That choice will change the way you will look at yourself

I was hoping you were special

What a disappointment

But know that...

You can waste all your life thinking that you killed your brother and that is the reason you can't become a dancer

That's why the majority of the people prefer to live a calm life and forget about their dreams

For all the choices we made, persevering into that way is synonym of suffering, because you need to surpass and beat the others...

CLAC

You should go home, I'll find you someone to bring you back

Nobody can understand what I feel like

She talks about all that even though she doesn't know me

What my life would be tomorrow

I really don't know

But I know that I cannot dance anymore

Hello, I am segebi. I decided to post the remaining of Subaru's chapter. I am all alone so, it won't quick release, but not long ones too :p Like one chapter a week or more. First I'd like to tell you that I used a 3 years old HP All-in-One printer (Sorry about the blurred part in the middle) to scan these pages and that I am new into cleaning and editing mangas. I cleaned it to be readable. For the size of the font I don't know what it will look like since it's my first time, if it's bad I'll change it in the next chapter. So don't expect too much of it. I am sorry in advance for the spelling mistakes and other mistake I would made. Please contact me if you think a translation would be better in another way. I think my English is okay, but I am a canadian living in a French province so ... Well then enjoy Volume Chapter 7.

What did you say?

And I heard about a girl that dances for her twin every day

I was hospitalized there for a while

Are you stupid or what?

Your brother died because of you!

How is your brother or?

You won't go to the hospital today?

Sure, it was bad to say that but...

"It would have been better if you weren't there"

Oh, I am truly sorry for you...

What did I do wrong?

Nobody
under-
stands
what I
feel like

She talks
about all
that even
though she
doesn't
know me
